I hereby write at the instance of AYELABOLA Idayat Ayomide, whom has been offered admission to study **Sustainable Social Development** in your foremost institution (Ahmadu Bello University) beginning from the 2025/2026 academic session is my Niece.

I have been relating with miss Idayat for more than fifteen (15) years as her mentor and guardian. She is cool headed, diligent, disciplined, humble, intelligent, and resourceful. She is emotionally stable and has respect for constituted authorities. I guarantee that she would continue to maintain these qualities throughout the course of her study.

I further stated that I shall be responsible for her school fees and other financial obligations for the period of her studies in the university.

Thank you very much in anticipation of accepting her candidacy
